🖥 GitHub: https://github.com/raghupoudel

Professional Summary

Highly skilled **Frontend Developer** with expertise in building responsive, user-friendly web applications. Proficient in **HTML, CSS, JavaScript, React.js, and modern UI frameworks**. Passionate about creating intuitive digital experiences, optimizing performance, and implementing best coding practices. Seeking to leverage my skills in a dynamic development team.

Technical Skills

✅ **Frontend Technologies**: HTML5, CSS3, JavaScript (ES6+), TypeScript

✅ **Frameworks & Libraries**: React.js, Next.js, Redux, Tailwind CSS, Bootstrap

✅ **UI/UX & Tools**: Figma, Adobe XD, Material UI

✅ **Version Control**: Git, GitHub

Work Experience

Frontend Developer | [Innovative Tech] | [2023-Present]

- Developed and optimized responsive web applications using **React.js and Tailwind CSS**.
- Integrated **REST APIs** and enhanced performance through efficient state management with **Redux**.
- Improved page load speed by **30%** through code splitting and lazy loading techniques.
- Collaborated with UI/UX designers to ensure **pixel-perfect design implementation**.
- Maintained version control and project collaboration using **Git & GitHub**.

Frontend Developer Intern | [Company Name] | [2021 – 2022]

- Assisted in developing reusable UI components using **React.js**.
- Debugged and improved **JavaScript-based functionalities**, reducing errors by **20%**.
- Conducted cross-browser testing to ensure smooth performance on different platforms.
- Gained hands-on experience with **Agile methodologies** and daily stand-ups.

Projects

Personal Portfolio Website

- Developed a fully responsive portfolio using **React.js and Tailwind CSS**.
- Showcased my skills, projects, and resume with **smooth animations**.

E-commerce Web App

- Built a dynamic e-commerce frontend with **React.js, Redux, and Firebase** for authentication.
- Implemented a **cart system, payment integration, and user-friendly UI**.

Weather App

- Created a real-time weather application using **JavaScript, OpenWeather API, and Bootstrap**.
- Designed an **interactive UI with search and location-based weather updates**.

Education

🎓 **Bachelor's Degree in Information Management[Running]**
📍 Tribhuvan University

Certifications

- [Frontend Development Certificate] – [Platform Name]
- [JavaScript/React.js Advanced Course] – [Platform Name]

Soft Skills

✓ Problem-Solving ✓ Team Collaboration ✓ Attention to Detail ✓ Time Management ✓ Continuous Learning

---

Languages

- English (Fluent)
- Nepali (Native)
- Hindi (Proficient)
